

TECHNICAL DATA SHEET

Product: Floorbond Adhesive
Issue Number: 001
Issue Date: January 2013

Product Information

Description

Low viscosity, water resistant, wood adhesive. The adhesive is fast-setting, non-discolouring and has good heat resistance.

Application

Adhesive for IsoSonic Platform Floor T & G joints.

Appearance & Packaging

Milky white liquid, stock size is 1 Litre.

Physical Properties

Total Solids:	46% \pm 1%
Viscosity:	7 - 15000 mPas
Specific Gravity:	1.09
pH:	2 – 4
Min. Film-Forming Temp:	6°C
Low Temp. Stability:	Good
Mechanical Stability:	Good
Storage:	Six months at 5°C - 25°C

Environmental Data

Product is not inflammable and is non-toxic under normal conditions of use.
